“ I am sorry to read of your loss. Many have lost loved ones and want to see them again. The Bible actually has an encouraging scripture that provides hope at John chapter 5 verses 28 and 29. There it says, "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment." There is a hope that you can see your dead loved one again by means of a resurrection. May this be of encouragement during this time.

“ Rita was one of the sweetest, happiest, most creative people I've ever met. She never let anything get her down and always had the best attitude. She loved helping people and we will miss her so much. My prayers are with her family.
