“ Kathy and Bob are two of our most favorite people. When we lived at the lake, we enjoyed having lunch after church with Kathy and Bob at the FeedBox almost every Sunday. Bob was a wonderful man with interesting stories AND opinions. Alan always called him "Mr. Happy" and Bob got a kick out of that. Bob called us about a month ago when he saw on the news that we were having really bad weather coming through Prosper, just to see if we were surviving the storm. He will be truly missed. We love you.

“ I have been thinking of him for awhile now and had often asked if anyone knew where they were. My love for him is as great as the days that he let me follow him around hours and days on end at the lake. I have missed him for years but I am thrilled that he is with our Father in heaven. Nonna, (Frances) and his other sisters, I am sure are tickled to be with him again..... waiting for us all to join them one day. My prayers are with you all in this difficult time. My love,
Shannon
