“ My dad in my eyes was a great man. He accomplished so much in his life and worked very hard to take of his family. And instilled in all of us the values of a hard working person. He took me fishing. He took me hunting. i worked and helped him with the bakery he owned. Some of the best made baked goods ever. I still can still taste them . I am who I am because of him. And I thank him and miss him. I'm ready to go fishing. Love you dad.
