“ *I'm not sure I know where to start.... I worked for and with Bob for well over 20 years. He taught me a lot about life! He made me laugh a LOT too! He had a big ol heart and loved his family and friends very deeply. I hope you all have peace knowing that his pain & suffering have passed. I can picture him placing bets & tee-ing off with St. Peter right now!*

“ I want to thank Bob for teaching me a great lesson in life...As we rode down the highway, and I feel asleep, he edged the suburban over to the side of the rode and screamed loudly. I woke up and thought we were having a wreck and he laughed at me forever. I did that to Jackie and ever since then, she drives everywhere we go. Thanks Bob, I sleep with a smile on my face. And for those of us who spent so many years at the Golf Tournament, close you eyes for a moment and listen... You can hear him screaming at all of us. "Listen Up. Listen Up. You aren't gonna know what to do in the morning if you don't listen up. Thanks for ALL the great memories and friendship. To all of the Hamilton family, thanks for letting me be part. Sincerely,
Jackie and Stevie Taylor

“ I would like to offer my condolences to Carolyn and the rest of the family. I have two fond memories of Bob

1. No matter what town we were in he always knew the best places to eat.
2. I never played golf but he could a ball straighter than anyone, it didn't go extremely far but it was on the middle of the fairway.

Bob I will never forget you for your great suggestions of where to eat and things to see on my vacation to Maui
