“ *My brother and I frequented Hardin's Hardware from 1992-93 and again from 1995-96 (we lived in San Antonio in the interim period). Mr. Hardin was a generous soul, and we also attended John Birch Society meetings at this house, which was further east on Delwood. I have fond memories of him.*

“ *I had the privilege of working at Hardin's Hardware during my senior year of high school. Mr. Hardin taught me about hard work and taking the initiative to do more than was asked of me. These lessons have stuck with me and I am truly grateful for the time I spent working there. He will be missed.*

“ *Ann, Steve and Mark , our love and prayers are with you. Your dad (and mom) were our first friends in Tyler in 1967 and we loved them dearly. I know they appreciate so much how you took care of your dad these past few years. God bless you for that. May they be together now with our Heavenly Father. Cecil and Carolyn Holly*
