“ We were so saddened to hear of Robert's passing too late to have attended his funeral services -- we knew him for only a few months during his advanced illness as he participated in the Cancer Foundation for Life's Fits Steps exercise program in Bullard. We quickly grew fond of him, drawn to his gentle, cheerful, and positive outlook. We often discussed our Catholic faith; his growing up years in the Cathedral parish and schools; his family; his work; and his growing up around the Carney clan, since he discovered our daughter-in-law is a dtr of David & Martha Carney. We are so blessed to have known him for this brief time, and so regret not having known he final time was near, to visit him at home or hospice and let him know the blessing he brought to us. But he will always be in our heart, and we trust he knows that now in heaven, embraced in peace and holy joy. May we all join together with him there someday! Our love and consolation and prayers for his family. He spoke so highly of you with great affection! May his soul and all the souls of the faithful departed, rest in peace. Amen! Robert was a dear friend for many years. I first met him when I was 16 years old. I have so many fond memories of him throughout the years. He always made me laugh and I loved sitting and listening to all his stories. He will be greatly missed. He was an amazing man who was so loved and respected. May he rest in peace and I hope one day to meet up with him again. Many prayers go out to his entire family. May they find comfort and peace in the days ahead.

Rob was a special friend and we were Survivors. Rob and I both worked for Oncor where he always came by and greeted me with his smiling face and a lbig hug. We had lots of long talks and shared things only cancer survivors can understand . He was a Champion and a fighter. We loved our Rob.
