“ *Wanted to let you all know that we have been thinking of you. I remember Uncle Bob from our trips on his boat and visits to New Jersey. He was always so generous and patient with us. My parents told us all about their visit a few months ago and how much fun they had. They are extremely grateful to have made the trip when they did. Take care, hope to see you soon.*

“ Auntie Marilyn, you are all in our hearts and our prayers. I always remember Uncle Bob as being very calm and quiet, so when he spoke I wanted to listen. He usually had a dry and funny comment for all to enjoy. Like "mowing the back 40". All of your fond and fun memories of Uncle Bob will bring your smiles back again. Thinking of everyone. Love to all, Carrie and Matt
