“ To the Uzzell family:

I was greatly saddened to learn of Bob's untimely passing. I met Bob in 1989, when we both worked for KZEY/KROZ, and we remained connected over the years. I will greatly miss his cheerful, upbeat outlook and the many things he did to give back to the community. We have truly lost one of the good guys, but his memory will live on.

“ Sandy and family,

Our thoughts and prayers are with you during this time. May the memories you shared bring a smile to your face and a warmth to your heart in the coming days ahead.

Take care of yourself and each other.

Said a wise man to one in deep sorrow, 'I did not come to comfort you; God only can do that, but I did come to say how deeply and tenderly I feel for you in your affliction'".
