“ I sadly offer my sympathy to Glenn's beautiful family in this time of unimaginable sorrow. As a close friend and confidant for approximately 50 years, we spoke regularly before his illness. Glenn Woodard always conveyed his caring love for his entire family. That is what he lived for and my sincere belief is that you were his final thoughts and prayers. So Jan and I pray for your future well being.
Sincerely,
Jan and Tom Ballenger

“ Dear Dana and Family,
Tom and I send you our love and prayers. You and Glenn were special to us in the Trane family. Deer Valley was a wonderful remembrance of happy times. Glenn's thoughtful Christmas cards were so enjoyed to catch up. He had many words of encouragement. He is already missed. We appreciated the note Glenn sent in January, your note a few days ago, and Katie's announcement.

In loving sympathy, Tom and Jan Ballenger

“ To all of Glenn's family,
We want to express our deepest sympathy in Glenn's passing. He had been a good friend, classmate and teammate from 1st Grade through college. We discovered from Glenn that my wife Doris was his cousin on his mother's side of their family. Again please accept our sympathy and we will keep all of you in our thoughts and prayers.
