“ Susan,
Howard and I are holding you close. Even though we do not know you well, we were always warmed by both of you as you turned and so kindly welcomed us Sundays the last years at Wee Kirk. May God hold you close in the palm of His Hand, as you and your four children enjoy all the fond memories which will help sustain you at this time and in the future. It is obvious that you two had a wonderful, full and life of service to your family and others, what a beautiful gift. I trust we will see you again this summer when you have time to come again to your retreat at Hound Ears. Please join us at Wee Kirk when you are there; we will miss you until then. Our love and strenght to you; we will keep you in our hearts.

“ Ron will be missed by all. He was a dear friend and loved going to Scotland with Dr. John Miller (Jack) and their golfing friends. Jack was from Faulkirk, Scotland and he loved taking Ron to the popular & remote non tourist golf courses. They had so much fun. He was a great surgeon and father. He is with the Lord. My prayers are with his family at this difficult time. God Bless.
