“ *Ron was a co-worker and friend, he will be missed by me and all who worked with him at Acuren Inspection. One thing you could say about Ron, is that he never quit and would give you his best each and every time. I knew he was sick and I tried to get him to go see a doctor and he would always put the needs of his family before his own health. May he rest and peace and I hope to see him again someday in heaven. My thoughts and prayers to his family.*
