“ I'm sad to read that Ron is no longer with us on the earth. As one of his Donna Drive neighbors for many years, I've got lots of fun stories in my memory. When the power went out and the pine trees fell on Donna Drive, it was one big house party! I will always remember all the fun we had with the kids growing up! Wonderful days! My sincere condolences,

As a first cousin, it was always an experience to visit their home in Lisbon and hear stories from all the family that kept us all amused and laughing. The good ole days were certainly brief but have lived on in many hearts and memories. Ron inherited his quick wit and retorts from both parents..along with developing his own unique personality early in life. Obviously he continued to touch many more lives over the years.

Condolences to all his family.

Ron & I shared some great times together when he & Pat moved to Tyler & joined Central Baptist Church. Whether it was playing softball, volleyball, basketball, or an afternoon of tennis or golf, Ron made it all fun! I got to witness his first hole-in-one @ Bellwood golf course. Our families shared lots of good times as our kids grew up. He had a tremendous love for his family & friends! I will never forget watching Texas/Arkansas games with him....lots of hooting & hollering!! Our prayers are with Angy, Christy, & the Welch family. Go Hogs!!!! Ron... Your zeal for life is going to be missed!
