“ Joe and family, Gracie and Betty -
I am so sorry I was not able to attend Rosamary's service and visit with all of you - I am preparing for surgery and not able to drive to Tyler. Rosamary was a precious person and I will always remember her sweet disposition. I have missed seeing all of you but plan to be in the Tyler area later in the year and hope to visit with you then.
May God Comfort You As Only He Can -

“ Dear Joe, So sorry to read Rosemary's obituary in the paper. When Rosemary was at the Overton Post Office I always looked forward to see her smiling face. Then after she retired we would see each other in the beauty shop. You will remember me as T.D.'s wife the rural del. person on your rt. around Chapel Hill. T.D. has just passed away in July. I hope you have more luck in getting the offices to respond to you than I have had in trying to get T.D.'s retirement benefits. He died of lung cancer. We moved to Whitehouse to be near our daughter to help her care for her husband. He has died also. So we are now two widows living a block apart, taking care of each other. Dear memories.
