OUR MOM Our mom was our anchor, Our mom was our wings, Our mom was our source of strength, And many wondrous things. She showed us love and patience, And taught us right from wrong. And by the way she lived her life, We knew her faith was strong. She sacrificed so much for us Expecting no reward, But the best of all things she did, Was to bring us to the Lord. He knew you were suffering, He knew you were in pain, We all were there to say good-bye, But still the questions, "Why?" When we saw you sleeping, So calm and free from pain, We would not wish you back to earth To suffer once again. It broke our hearts to lose you, But you did not go alone, For part of us went with you, The day God called you home. “ I didn't get the pleasure of meeting Rosemary until a few months ago. She was such a sweetie and usually had a laugh or smile in store for you! I hope that you can take comfort in knowing that she is finally free of pain and is now watching over her children from Heaven.

“ I never had a sister, until I married into the Bahr Family. Thanks, Rosemary, for being my "sister", my girlfriend, my confident, my support group, and a terrific hostess. We shared many wonderful times, in Texas, with the hospitality of the Allday family. Lots and lots of wonderful memories we hold in our heart. We will all miss Rosemary, but we take great comfort in knowing that she is with Jesus and free from all her pain and sufferings. Our thoughts and prayers are with the Allday Family, Love you all, Aunt Judy Bahr

“ Aunt Rosemary was always so loving. She had the Grandma Bahr trait of making you feel loved and happy to be around her. I have so many fond memories of times with Aunt Rosemary in the early 50's at parties and get togethers at Grandma Rose Bahr's house - so much laughter, love and good times! I'll never forget visiting Aunt Rosemary and celebrating my 21st birthday in Houston, Tx with her and her family. She went out of her way to make it a fun time for me and my sisters - even taking us to a Led Zeppelin concert (even though we were more ""Beach Boy" type kids)! We were totally out of place at the concert and Aunt Rosemary kept saying - please don't tell your father I did this!! We had the best time then and many laughs remembering the event over the years! Even though she and her family have been in Texas, they have never been far from our hearts, thoughts and prayers. Aunt Rosemary was a great lady and she will be greatly missed. Our deepest sympathy to all of you.

“ Aunt Rosemary will definitely be missed by all of us. She made everyone feel special when you were with her. The deep love she had for her family and friends was genuine and you felt it. She loved a good time and you couldn't help but have fun when you were with her. We wish we could have been at the service in Texas with all of you. We are all thinking about you and send our love and sympathy.
