“ I always loved being around Rose when the family came from Rhode Island to visit. She always made me feel special. I have an afgan that she made and gave to me. I have it on my couch and I think of her many times throughout the day. She had a contagious smile and I enjoyed hearing her laugh. There is a party going on in heaven right now.

Love, Pat Bynum Randall

“ So many special memories of Rose, but one stands out in my mind. When my daughter had surgery in Tyler, Bud and Rose came and sat with me in the waiting room. If not for this sweet Uncle and Aunt, I would have been alone. They brought such a happy light with them wherever they went. I am happy to think of them together once more. Bud, Rose, and bloom. Patricia, your sweet family has gone ahead and is watching over you. Love in Christ, Kenda Beth
