“ We were so lucky to have had a Grandfather as kind, thoughtful, loving and funny as you were. I will miss your hugs and the way you snorted when you laughed. That was so funny. Always ready to fix something and make it better. There are so many things I can say so I will say this, I love and miss you Grandpa. You are 1 in a million. The world is a better place for having had you in it.

“ My Dad. He taught me to dive under the boat and see our shadows in the neighboring mountain at sunrise. With us all of my life; guiding, protecting and giving. I am the child of a wonderful man. My great fortune lives with me always.
