“ I'm really saddened by the loss of Scotty. I know this is a big loss for the entire family, friends and organization. Please accept my deepest sympathies and know I share your loss. I may not physically be there with you guys but my heart will always be there.

I hear Scotty so clearly," Wendy you must not have enough to do if you look up everytime I come through the door!" Then there was the Christmas party that I walked in and he said " did you wear your curtains? Lol

I love you Scotty and you will and are missed!

Love you all!

“ Scotty will be missed by all who knew him. I still laugh thinking about all the conversations we had at work, parties and industry fuctions.

He could tell a good joke.

He touched many lives along his journey.

“ May God give you His perfect peace in this time of adjusting to Scotty's relocation. I hope you have the picture I have in my heart of him sitting at Jesus feet. Remember all the good times and know that he would want you to rejoice, even though you will miss him for awhile, at his homegoing and be looking forward to seeing him again. I loved him too.
