“ *I have very fond memories of Ruth Ann as cousins growing up and spending time at Granny Burrow's as well as visiting back and forth from Oklahoma. I always looked up to her and we enjoyed selling AVON together. For several years, we met every other week for our business, but mainly to spend time together. She was gentle, kind, and had a genuine fondness for animals. I will miss her greatly. Love you Ruth Ann,

“ *Ruth Ann was my first cousin. She was special to me, and I will always remember her soft spoken voice and her kindness, her genuine love and caring attitude. She loved her family. She loved selling Avon, and I bought many products from her. Her memories will stay with me forever. Rest in peace, Ruth Ann. As I told her the last time I saw her a few weeks ago, "I love you, Ruth Ann".

I was very sad to hear about Ruth Ann. I didn't know her well, even though she was my first cousin. But what I do remember is that she was always laughing and cutting up, just like Aunt Celia. I will always have a special place for her in my heart and I can still remember her funny laugh, also like Aunt Celia's. Plus, we smoked cigarettes together.....May she rest in peace and I will keep Aunt Celia in mind, as well.
