“ *I loved working with Mrs. Wright there in the Regan's shoe department downtown. We kept in touch through the years with visits and exchanging of Christmas cards. It always seemed that it had just been a few days since I had last been with her for she just made me feel special. Please know that she touched my life and I am very honored to be able to say she was my friend. My prayers are with the family as you face the days ahead. God Bless you all.
