

## Ryan Thomas Mullee

January 7, 1977 - February 19, 2016

Ryan went to with the Lord on Friday, February 19, 2016. Ryan was born on January 7, 1977 to Thomas and Marion (Cannistra) Mullee in Warren, Ohio. Ryan was larger than life, always smiling with a personality that would light up a room. You always felt better by being in his presence.

He served in the US Army. He worked for the FDIC in Dallas in computer security. A job he loved! Ryan was a member of Green Acres Baptist Church. He had a love for his wife that was beyond words. He adored his two daughters and was so proud of them. Ryan enjoyed spending time with family and friends. He never met a stranger.

Ryan is survived by his loving wife, Mindy (Dudley) Mullee; his beautiful daughters, Delaney Grace Mullee and Rylee Elizabeth Mullee, all of Lindale, Texas; his parents Thomas F. Mullee and Marion Mullee of Warren, Ohio; a sister Erica (Mullee) Travis and brother-in-law Ken W. Travis; two nephews, Connor Travis and Nate Travis of Columbus, Ohio; and his in-laws , Marvin Dudley and Judy Dudley of Tyler, TX.

Ryan will be missed, but in our hearts.

Visitation will be February 25, 2016 from 6-7:30pm. A celebration of his life will be Friday, February 26, 2016, at 11:00am at Stewart Family Funeral Home with Dr. Charles G. Dodson officiating.

“ I worked with Ryan at the FDIC. It was there we also developed a professional relationship that was personal. We handled the difficult stuff that was part of our positions, but also shared the laughter, the family stories and pictures, and the excitement of his recent casting in "Charlotte's Web" allowing him to keep his promise to Lindsay to one day share the stage with her. To Mindy and the girls: Ryan loved you dearly and spoke of you to anyone who would listen. May his love and memories bring you comfort. To Ryan's parents: In your sorrow, take comfort in knowing you raised a wonderful young man whose life made a difference because of who he was. To Ryan's many friends and colleagues: We were all blessed to have Ryan in our lives!

“ To Ryan's family, friends, and loved ones, my heart goes out to you. I was fortunate to get to know Ryan, first as a co-worker, later as a friend. At the FDIC, where the average age is "retirement age", having a fellow Gen-Xer at the Corporation was comforting. Ryan's personality, positive outlook, and the way he beamed when talking about his family made it easy to like him. He assisted me through some difficult times at work and was always honest and forthright with me. I respected him so much! The fact that he is gone still hasn't sunk in yet, probably because this shouldn't be so. We lost a very special person. I will always miss you, my friend.

And even though I'm 38 years old, I'll never forget the day I left my lunch at home and Ryan shared his lunch with me. He was a good kid who grew up to be a good man. His kindness knew no bounds. The grief is almost too hard to bare now; however take comfort that we will see him again. Perfect and whole in a much better place.*

I don't know if I can find the right words to tell you how sorry I am for your loss. I've known Ryan since junior high school and I can honestly say that I don't remember him not ever having a smile on his face. Ryan was just a genuinely great person, which is so rare to find. I've reminisced the last few days on the great memories that I had with him growing up, and I'm honored to have known him. God bless you all, and know that there are so many people back in Ryan's hometown of Warren that are praying for you.*

“ *I have been in total shock & truly Heartbroken. Although most of my memories of Ryan are from High School. I have maintained contact with him via Facebook. He was an amazingly genuine person. Kind, Funny, Sincere and Loving to all. I know that he will Forever be remembered because Ryan lived for the dash... the dash between the Birth date and the Home coming date. I wish his Wife Mindy, Children, Parents, Family & Friends comfort through Prayer. May the person responsible for taking this Beautiful life be caught. RIH Ryan Mullee*

“ *To Ryans Family,  
I had the privilege and honor of knowing Ryan ! We went to school together. He was one of the kindest and nicest person I knew. His smile was contagious! I enjoyed his sense of humor emensly! My heart was saddened tremendously when I found out that he had been taken away from you! Please know that Ryan has touched some many in so many ways! May God give you the strength to carry on and may the memories of Ryan and his laughter keep your hearts filled with love! May you take solace in knowing that you will see him again some day. Words can not express how very sorry I am for your loss!  
My sincere condolences,
