“ *I was very saddened when I heard the news. I am thinking of the Fleming family, and praying for Pastor Fleming ,and family. Sally was a wonderful Christian lady. She had a heart for children and the elderly alike. Sally on many occasions picked up my little girl every Sunday morning that I was unable to attend church she did such a thing with great joy she would always walk inside my home to pick her up and did the same when she dropped her off. Sally was sure to visit the hospital when my son was born in fact I believe she was my first visitor. She stood with me many times in prayer and on other occasions not only gave her prayers but was sure to show up and support me by being present. She believed in the old time way and she knew and walked in what I call the old time power. If you asked her to pray it was go time it was going to happen you didn't have to wonder if she was going to pray! She loved with all her heart she was true and genuine in the Lord ,and did not hesitate when she saw things were not going right or saw those going astray to step in and point the way to Calvary. I saw it first hand she was a great example to the younger women in the church and a mighty lover of the Nazarene. I know she is rejoicing in the presence of God. It was an honor for me to be able to get to know her. I know without a doubt she is resting in Gods eternal arms of love. Continuing prayers for the family. Love always,Leslie*
