“ *We are so saddened to hear of Paul's passing. He was a great guy with a keen sense of humor and a gracious spirit. He was our limo driver at my mother's funeral and we got to talk about old times. We hold you close to our hearts at this time.*

“ Judy, I remember Paul as laughing and joking as if he really enjoyed his work!

*Mother and Dad (Tiny & A.J.) were quite fond of you and Paul, who kept them gainfully employed and out of trouble for years. You even gave me the opportunity to work on occasion, and I have fond memories of both of you.
With sympathy, Gretchen Harris*

He was kind, friendly, and respectful toward the families we served and the staff with whom he worked. He will be greatly missed as a co-worker and a friend. “ I am so completely shocked. But I can honestly say Paul was one of the most upstanding wonderful men I have ever known. My mother Sadie and he were 1st cousins and my mother adored him. Mom passed in February, 2011 and I know they are catching up now in heaven. May the peace of the Lord that Paul, without a doubt knows, be with you in this time of mourning. For we know, someday soon we will all be reunited again in the Lord. Blessings to you.

“ I have nothing but the most pleasant memories of Paul from our growing up years. He was one of the nicest members of our class. I regret not keeping in better contact with him over the years; however, I am extremely grateful now to have renewed our acquaintance last fall at the class picnic.

“ Man I don't know what to say-I do love you and can't believe you are gone-but you know you really are just waiting around the corner -it won't be long-life is very short. You know I always wanted a \$1500 suit-can you find one and maybe sell it to me cheaper when I arrive?

I think you believe like I do this should be a happy time for you and all your friends and family,because you are preparing things for all of us.

Thank you for being my friend.

My sincere thoughts and prayers to the family. May God wrap his loving arms around you all and give you peace for we know Paul is certainly rejoicing in God's prescence today.
