“ We are praying for the entire family. Even though we haven't kept in contact much lately, we still thought of both Gary and Sandra as our good friends. We spent many yrs at soccer games, bday parties, etc. when Nick and Jeremy was young. I will never forgot those fun times. It was good when we would run into each other and have a little time to "catch up" with what's going on. Our last conversation was a couple of months ago in Dollar Tree, talking about grandkids. Gary, Nick and Casey, will are praying that God's grace is sufficient to fill your emptiness and heal you.

Now more than ever one should be so grateful for Jesus and the price he was born to pay so we would have the promise of "life eternal". We WILL see our loved ones again! “ Sandy has been my closer at Landmark since I started in real estate nearly 8 years ago. I came to know her as a dear friend who was so warm and caring. She so loved her family and spoke of you all often. She was so proud of her boys and I know that Claire was the apple of her eye. She always lit up when she spoke of all of you. My prayers are with you all in this difficult time. May you take comfort in the fact that she is in heaven with our Lord and Saviour Jesus Christ.

“ I had the privilege of working with Sandy at three different law firms over a span of 25 years. She was always the dedicated professional. But more than that, she was a devoted wife, mother and grandmother. Sandy was so proud of her boys, Nick and Casey, and their many accomplishments. I remember the day she called to tell me she was a grandmother and had a beautiful new granddaughter, Claire. In fact, the last email I received from Sandy was about Claire's birthday party with pictures attached of "my little princess". My prayers are with all of Sandy's family. May you celebrate her life and the legacy she leaves. May God bless you and give you peace.

“ *I have known Sandy thru work for the last 5 years. She was such a kind and generous and caring person. I dont think I ever heard her say a cross word about anyone even through her job was very stressful at times. She always had a kind word. Everyone that knew her and her caring ways will miss her so very much. We are not promised tommorrow and she would be the first one to tell you that. She lived her life with caring and love for friends and family, her legacy is one that will live on forever thru them. I will continue to pray for her precious family which she loved so very much. One day we will all be together again and one thing about that we will get to spend more precious time with her than than we ever did here on earth.*

Our Sandy will greatly be missed but her memory will live on forever. I pray Gods comfort and grace for her family and the peace that only comes from our precious Lord God. May God hold you ever so close to him for that is where our precious Sandy is now in the arms of God.

“ Sandy was my closer at Landmark. She was always pleasant and professional, thoughtful and kind, even in difficult situations. I will never forget several funny situations that occurred and the looks she would give me because actually, sometimes things were rough and it was her job to explain hard things to people. I knew what she was thinking, but she never uttered a complaint or a negative word. She was as smooth as glass and everything always worked out. I truly appreciated Sandy, I know this has to be the worst of times for you, her family. I am so very sorry for your loss. Landmark will not be the same without her. Thank goodness, she is in Heaven and we will see her there again one day.

“ I will miss Sandy and her sweet smile. We started out as a business relationship with her work at Landmark Title. But we changed to comfortable friends over the years. One of the nicest traits Sandy had was to always say nice things about other people, never passing on gossip or bad comments. I'm glad I got a hug from her the last time I saw her.

“ Sandy was soft spoken and hard working. Her office was filled with pictures of her family and you could tell they were her pride and joy. My deepest sympathies go out to this family, who has lost a sweet and caring wife, mother and grandmother. My time of working with Sandy was brief, but everyone leaves an imprint on your life, and I will always remember Sandy as quiet, kind and genuine. Rest in peace, Sandy. You are taken much too soon.

“ Dear Casey, Nick and Gary: Sandy grew up in the same neighborhood with Alan and me. We were rowdy boys and she was a sweet little girl. Some things never change! I am so glad to have gotten to know the Burkett family and your precious Sandy has left a wonderful legacy of love. God bless each of you and I pray that he will touch you only as He can. You guys call me if you think I may be able to help you some way.

“ My thoughts and prayers go out to the Burkett Family. Sandy and I were classmates from Elementary through High School. When Sandy came to Landmark several years ago we spoke of years gone by. Sandy was still the quiet, soft-spoken, intelligent, thoughtful person that we all knew her as. I would always receive a note of thanks after she held a closing for me and often, just a note. That will truly be missed. May the Lord continue to provide comfort during this time.
