“ *I was deeply saddened by the news of Sara's passing. My family and I met Sara and her beautiful family at Karate America, in Appleton Wisconsin. It was an honor to have known such a wonderful person.*

After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us.

Our most sincere condolences go out to you and your family.

“ My memories of Sara were from her time at St. Sebastian School in Wisconsin. She never said no. Her beautiful personality was so positive and inspiring. She dedicated so much time to the children at the school all while managing her growing family. My schedule did not allow me to do as much as she did so I was always so greatfull that my daughter had Sara leading talent shows and volleyball. This world was a better place with her in it and I am humbled to have known her. Peace and prayers to Kari and her children.
