“ Sarah and I, even though not blood sisters, shared parents and became “sisters” for 46 years!
She and I had great times together, and I miss her already SO much!
She loved her Laura and Terri and their families so much; how blessed she was by you!!!
My prayers for you will continue.

“ *What a wonderful partner Sarah was at the information desk at Mother Frances Hospital. For a number of years we kept abreast of each other’s families and personal events. I am saddened to hear of her passing, but I know she is in a glorious place. I extend to Laura and Terry and all the grandchildren my deepest sympathy.*

“ Sarah was a lifelong friend of my mom (Kay Callender Evans) after meeting while in school at TJC. They kept in touch through the years and enjoyed seeing each other as time allowed and as their families grew. She was a very sweet lady who was a wonderful friend to my mom and who loved her family so very much! Our thoughts and prayers are with you all during this time. - Kim (Evans) Covington
