“ *Shannon,
You had such a beautiful heart that was full of love. Some of my favorite memories are playing softball with you and the family with Southern Oaks. Sometimes we could play but others times we sat next to each other on the benches with pregnant bellies and kids running around. Such fun.*

I remember when when you were the new girl at school. I was scared to even talk to you but you just smiled and your eyes were so friendly.

Philip, Blake, Meagan and Jack,

May God cover you with His warm blanket of peace, provide daily bread of encouragement, living water of restoration and light of hope as you journey down uncertain paths. He is faithful. He is there. He does care.

Love,

“ Shannon,

I feel so blessed to know you as a friend and sister in Christ during the time we lived in Texas and attended SOBC together. I remember you as someone who was always smiling and laughing. As a wife who was proud of her husband, as an artist willing to share her talents and as a mother, dedicated to her sweet children. I am so sad that I will no longer be able to enjoy your Facebook posts, your musings on motherhood, but I smile when I think of you wrapped in God's love and comfort. Philip, Blake, Meagan and Jack my God wrap you in those same arms of love and comfort and may you remember your wife and mom smiling and laughing.

“ Shannon,

You were always so sweet to my family. I am going to miss your smile and friendship. I regret not talking to you more when we moved away. Just know that you made a impact on many of your friends lives including mine.. Your kindness, love, and generosity will not be forgotten. Your light shined bright. You no longer have to imagine. You are there in the presence of the Almighty. We find great comfort in this. Philip, Blake, Meagan, and Jack, May God surround you with his peace that passes all understanding and may you fall into his loving arms.

“ *I will forever hold Shannon in my heart! She had a heart of gold and I have so many wonderful memories of our friendship! I consider her to be one of the best friends I have ever made and will miss her terribly! It was an honor to have been a part of her brief life. I will miss the deep conversations we used to have and when we would just call each other to pray. ~Maybe we can have another garden together when I meet her in heaven.~*

To Philip, Maegan, Blake, Jack, and the entire family--Brad and I will continue to lift you up in prayer. May God hold you, comfort you, and give you peace as only He can. I love you all very much!

“ Shannon was/is one of my best friends. We worked together at Pier One and have stayed friends all these many years later. She was one of the most talented, thoughtful, tenderhearted people I have ever known. I am so blessed to have been a part of her and her family's life. She is going to be missed by so many, but I am comforted to know that she is in the arms of the Lord with a clear mind and no pain. I love you Shannon and will never ever forget the fun times we had and tears we shared.

“ *Shannon has always been close to God. I was just sitting here remembering when she was about 2 1/2. Her father, Suzan, Tami, Shannon and I were sitting in the second row of the church and I noticed that she had gotten very still. Two years olds do not get still in church during the sermon. I looked down and she was staring at the left corner of the front ceiling by the alter with a gentle smile on her face. I went on listening to the sermon. Soon, I realized she still had not moved and looked at her again. As I watched her, she realized I was looking at her and looked at me and said, "Mommy, angels." with awe such joy in her voice.*

Words cannot express what is in our hearts for your family during this time. We have sweet memories from the times our kids were little and we would travel to spend time together since we lived so far apart. We pray for strength and peace that only God can give. We love you all so much!

shannons mom, I am a mom and grandmother like you that had the sweet time to work with Shannon, at TIMA in the lab. You had an awesome daughter! Her joy was her family! We took everything down from her little blood drawing room except a cross that she put up in her room. Never will I ever look at that room and not think of Shannon. Many phlebotomist may come and go, but that cross will always be there to remind us of a wonderful woman, a woman who made us laugh, smile , and now relize to love, to always love and take time to care. So sorry for your loss.
