“ To know Shannon was truly to love her. Since the days at Hogg Jr. High and youth departments at GABC we knew Shannon as a caring person with a strong will. Caring in that she prayed for needs of other, she shared her video/DVD collection with friends, sent cards to so many on special occasions, and loved her pets. Strong willed in that she knew what she wanted and how to get!!! I admired Shannon for always living life to the fullest; thanks to such loving parents and sister who always made certain that she was included in all the things they enjoyed. We will miss her smiling face and sweet greetings. Love, Pat and Al

“ Shannon was a very special friend. She had so much love for everyone. Mary Ann and I were fortunate to have made several trips with Jim, Ann, and Shannon. Shannon was always sure she had some red jawbreakers for me after she found out I liked them. Their will be a big hole in all of our lives with Shannon gone. However Heaven has gained a wonderful Angel. I am sure she will greet all of us with a smile and hug when we arrive.

“ Shannon was a sweet and happy young lady. She was so excited when John and I were married. I still remember the gift, an ornament, she gave us. It hangs on our tree each year. Shannon always had something to share with enthusiasm and a warm smile to go with it. She will be greatly missed. Our thoughts and prayers are with you all during this time.
