“ Please accept my deepest condolences, I was so saddened to read in the paper today of Sharon's passing. I remember all the football games and other activites we shared while your family lived in Peru. The only address I have for the family is David's would like to have other family members addresses so I could send them a card. I notified Scott who lives in Mississippi and he is sad also. You are all in my prayers.

“ Dear Tom and family,

I was very sorry to read in this mornings paper about the passing of Sharon. Although it has been many years since we have all seen each other I still think you and many times have pondered as to what the Laumeyer's are up to.

It's hard to drive through Parkview Heights and not think about those "good old days" of the past of which all of you and Sharon will remain a wonderful memory.

On behalf of my parents and brothers we would like to offer you our condolences.

“ My heart goes out to Tom and the Laumeyer family for their loss. There is comfort knowing that she is with our dads. I thoroughly enjoyed visiting with her during our family get together in Las Vegas, brought about by Sharon's relentless search for my sister and me. While I am saddened that I was not able to visit her recently, I am heartened by knowing she was surrounded by family and friends.

“ Tom,
Our thoughts and prayers are with you and your family at this most difficult time.

I am so glad Sharon never gave up all those years looking for Gerrie and me.

We are so grateful to have spent what time we did with Sharon and you. Those are precious memories that I will cherish forever.

She was a wonderful, kind and gentle soul that I will miss dearly.

I am also conformed to know she is at peace and with our Grandparents and Dads.

*Love,

I'm so sorry to hear about Sharon's passing. I was only a little girl last time I saw her before you all moved away from Peru. She was a very special lady.
