“ Please accept my deepest sympathy on the loss of your MOM. The summer of 1962 we were out cruising through a small town called Upper Lehigh. It was a Sunday afternoon. There was Ruthie Hendsched, Ruth Uricheck, Tex, and Me, Mary Ellen Mikula. These were our maiden names. We saw a car on the side of the road and stopped to see if they needed help. It turned out to be Jan and Dean , and They actually sang Barbara Ann for us. We were not sure if they were pulling our leg, but they sounded like them. We laughed about it for a long time after. I will keep her in my thoughts and prayers and remember her always. Take care and God Bless.

“ Dear family of Sherry,

I am not sure how she was around the house, or growing up, in times past; but over the years I got to know her working in the guardianship program she was an absolute delight! She had a way of showing her serious and dedicated concern for others while simultaneously bringing tears of laughter to everyone around her. (I can recall more than one instance where I had to take a break to recompose myself from laughing so much.) She was so sincerely passionate about the people she cared for and worked with, and was also never afraid to have fun while doing it.

It was a privilege and honor to have known and worked with her. Treasure your own memories and I hope they will bring you some comfort in the days ahead. Our prayers are with you now, and we ask for God's blessings to follow you as you journey on with Sherry in your hearts and minds.

“ My sincerest sympathy to the family of my classmate Sharon. We graduated with the Freeland High School Class of 1963 in Pennsylvania. I will always remember Sharon as being a very bubbly little blonde. Her family moved to Pennsylvania from Texas but we all knew that she left her heart in Texas. May she rest in God's peace.

Blessings,

“ Kimmie I met your mom only a few times. She was a talented and giving woman, much like you. You and her had the greatest, most loving relationship I have ever seen. She knew she was loved and you constantly showed her that. She had so much to be grateful for and so do you. Such beautiful memories and stories of love. My prayers are with you and the family during this difficult time. I love you sweetie💋

I knew Sharon from her high school years in Freeland, PA (and went to MMI with her Brother). My sympathies go to her and her whole family. Rest in piece! It is a shame good people leave us at such a young age.
