Her picture is lovely! Sherri, Janie, and I spent many hours of the
front porch of your home on Graham Dr.

“ *As kids living next door to each other we had many fun time and so
many good memories. Those times and memories over these many
years created a friendship that not many people would understand.
Although we didn't see each other as often as we could have, there
was always our history that became the bond of our friendship and
much love I had for Sherri. I will miss Sherri a great deal and will
always enjoy remembering her in my life.*

Much love and prayers to Sherri's family members.

“ Max, Renee and Family - it was my honor to get to know Sherri. She was such a go getter and I loved her energy. We had a lot of phone conversations and I enjoyed every minute. In her last moments with you all, I was privileged to get to talk with her and tell her how precious she was to everyone and I believe she heard my words. She was certainly an angel and gave so much of herself to everyone, especially you Max. We know the pain is extreme but you have so much to reflect back on and you will be blessed with all those memories. Our prayers to all of you. May God bless each day for you all during your recovery and the days to come. Jimmy D. & Linda
