“ Sherry touched my life both figuratively and literally for nearly thirty years. Thanks to Sherry's expertise I look younger than I am in spite of all the sun damage!?! More importantly, I treasure the many conversations we shared which always involved much laughter and the occasional tear. I remember Sherry as a beautiful, capable, confident and above all, a caring woman. I remain amazed by her bravery in turning a passion from a dream into a career. My heart and prayers are with Sherry's family who she loved and adored so very much.

“ *I loved my Aunt Sherry.... So funny... so cool... so sweet... so talented... so thoughtful. She loved music so much and introduced me to the beautiful music of Eva Cassidy during a trip to Texas we made years ago and sent me home with her CD. I play that CD often and think of Aunt Sherry and that awesome trip we had every time. What a wonderful person she was who will live in my heart forever... She's now walking in fields of gold....*
