

## Shirley Hill

November 25, 1938 - December 12, 2008

Memorial services for Shirley Ann Scott Hill, 70, Tyler, will be held on Wednesday, December 17, 2008 at 2:00 PM at Stewart Family Funeral Home with Pastor Camilla Charles officiating. Ms. Hill died Friday, December 12 at her residence. She was born to the late Louise Holmes Scott and Grover Cleveland Scott, Jr. on November 25, 1938 in Tyler where she lived all her life. She graduated from Tyler High School in 1956 where she was a member of the acapella choir and a Majorette on the 1955-56 Blue Brigade drill team. Shirley was beloved and admired by all who knew her throughout her life. Her infectious smile and sunny spirit were her trademarks – along with her legendary expertise as a caregiver. After raising three sons as a stay-at-home mom she put her practical experience to use and began her second career working in the Tyler Independent School District as a teacher aide at Rice Elementary School. She later joined the faculty at the Saint Louis School in the Wayne D. Boshears Center for Exceptional Programs where she worked closely with special needs students for several years. She later retired from the TISD after 26 years of tireless service. Never being one to sit idly, she went to work in the advertising department and World of Wildlife Museum of the Brookshire Grocery Company at the company's headquarters in Tyler. After obtaining her license as a Certified Nursing Assistant she then began work in the Hospice of East Texas HomePlace facility in Tyler and later at Heart to Heart Hospice also located in Tyler. Shirley cared for numerous individuals with special needs in their homes as well. She was preceded in

death by her brother, Grover Cleveland “Buddy” Scott III. Ms. Hill is survived by her three sons, Kyle Hill of Dallas, Brett Hill of Longview and Lance Hill and wife Jeanna of Lindale as well as her former husband Albert B. Hill, Jr. of Tyler. Grandchildren Hillary Hill of Tyler and Kelby and Caton Hill of Lindale. Nephew Christopher Scott of Hockley, Texas and niece Lisa Scott Mitchell of Houston.

“ *My heart fell at the news of your mothers passing. I am so sorry for your families loss, for the city of Tylers loss, she was a phenomenol woman. I know this because the fruit of who she is lives through her son.  
She raised a caring, very kind, and giving son, which mirrored for the world the character of the one who raised him. Please take comfort in knowing how well you exemplified who she was, blessing those around you and making her very proud.*

“Brett/Hillary, Lance/Jeanna, and Kyle, Greg, Jamie, and I were so  
sorry to hear of your loss. We never knew a nicer person than your  
mother. We were so blessed to know her. I was fortunate to get to  
know her later when I married Greg and also when I worked with  
her at Brookshire's years ago. Not many people touch so many lives  
with their spirit but she was one in a million. She was even there for  
Greg and family at Hospice when they lost Mr. Garrison, which  
made it so much easier for them at their time of loss. She will  
always have a special place in our family. We are thinking of you at  
this time. Please celebrate her great joy of life which I know is what  
she would want from all she knew.

“ *First, my condolences to you, loved family. My interest is in the obit in the Longview paper the 16th of Dec. Long ago, late 40's early 50's, 1st grade through 8th maybe....there was a little girl who came to my home town of Chandler, OK., and went to our elemental school and maybe thru 8th grade....she looked like your lovely Mother would look now...our Shirley Ann Scott lived with her grandmother, Mrs. Holdfield (not sure of the spelling), but she worked at Hellman's Department Store, in the fabric dept. and was a lovely lady....Shirley was the happiest little girl I ever saw, and indeed she did have a smile always.*

*If you think this info is any way in your "Shirley Ann Scott", please get in touch with me...there are many "gray haired girls" in Chandler who would like to here about her.*

*Thank you, sincerely

“ I was grieved to read of Shirley's passing but wanted the family to know that she touched so many lives in a beautiful way. She worked for Dr. Georgia Barbee at the Clairmont when I first met her while my mother was recuperating from surgery in the same rehab/home. After a while, it was evident that my mother would not be coming home and was sent to Hospice of East Texas. There she was again!! Shirley was with me most of the 10 hours we resided at Hospice and took wonderful care of my mom and me. She stayed very close to my side after my mom passed and guarded my privacy like an army would have done. In recent years I called her about caring for some dear friends and we had a wonderful visit. She was such a giving person and had a God given talent for serving those in physical and emotional pain. She will be missed, but I count it such a blessing to have crossed her path. She is where there is no pain and much happiness. May the Lord give you the peace and comfort that only He can give. Blessings to you all.

“ Lance, Brett, Kyle and Extended Family,

*I am so saddened by the death of your Mother. She was a very special person and a wonderful friend. She and I shared many, many great times as well as some troubled times during our growing up years. She and I were BEST FREINDS in high school and as the years passed we lost touch. We had not talked in several years, but when we did, it was like all those years had never gone by.*

*I am so sorry I missed her service, but did not know about her death until last Wednesday (day of the service) and I was in Denton, Tx - no way to get there in time. I know you will miss her terribly, but please know - she is now an Angel in Heaven and will have no more pain.*

*I will keep all of you in my prayers.
