“ Shirley and I grew up together in Cooper Texas. My most fun memory is of our Senior trip to a lake (Bonham?). Some of the guys had their swimsuits and decided to toss some of the girls into the water. Remember, this was the decade of heavy hairspray, high hair, and lots of makeup. Shirley and I decided this could not go unavenged. We found their clothes in the bus and put them all to soak in the tubs of ice with the soft drinks. We all had so much fun that day.
