“ I can still hear Arlette's laugh in my mind after 19 years. Her smile is unforgettable and her spirit made my time better in some of the toughest and best years of my life. I lived at Azleway and with her family for a while. Memories I will never forget.

I remember Arlette, sitting in her office one day when I walked in and asked for some money. We were taking the boys to San Antonio for a vacation. She asked me if the boys were ready? I explained that they were. She then laughed and said are you ready? I said I think so. She laughed and said have fun. Arlette, you were always sweet to me. I am sorry to hear of your passing. Please tell Karen, I said hi. You will be missed
