

Sondra Len Ramsour

November 6, 1950 - October 3, 2018

Sondra Ramsour was born November 6, 1950 in Houston, Texas to the late Charles and Rosie Allen. She grew up in the Piney-woods of Woodville, Texas and graduated from Kirbyville High School. In the late 80's, she relocated to Tyler and began working at Tyler Junior College in 1987. That decision led her to what would become a 31 year career. Throughout those 31 years, Sondra developed many good relationships, close friendships, and impacted the lives of hundreds of young college kids.

As GOD would have it, Sondra's life would forever change when she met her soon to be husband of 29 years, Thomas Ramsour. They were married on June 10, 1989. Tom and Sondra shared four children: Michelle, Kristopher, Amber, and Jason. She had three siblings: Stephanie, Cindy, and Reginald.

Sondra was an amazing wife, mother, daughter, sister, and grandmother.

Sondra was preceded in death by her parents, Charles and Rosie Allen. She is survived by her husband, Thomas Ramsour; son and daughters, Troy and Michelle Brown, Kristopher Moore, Amber Ramsour, Jason and Emily Moore; three siblings, Ed and Stephanie Hacker, Cindy Allen, and Reginald Allen II. She also had 11 grandchildren who she loved dearly.

“ If you had a question about operating a public swimming pool, Sondra was your go to expert, if you needed a friend she was also your go to expert. As professional colleagues, she and I shared a love for public health and keeping the public safe and healthy. Sondra operated the Ornelas Health and Physical Education Center aquatic facility and raised a family of lifeguards along with student support staff for the facility. She actually looked forward to inspections of the swimming pool by the health department, she and her staff maintained it in superior compliance. She was a member of the Texas Environmental Health Association East Texas Chapter and a contributing member for on going continuing education programs. Always willing to lend a hand with a happy heart. She and I watched our families grow, sharing stories of each ones growth and accomplishments, she loved them dearly.

Over a thirty year span we grew professionally and became great friends. She was funny, humble, hard working, smart, caring, giving and energetic. Her passing is a terrible shock and great loss.

She was a woman of faith and a soul this precious and strong will endure. May God bless her family, friends and colleagues, may they know how blessed we are to have been to share her life and legacy.

“ *My prayers and condolences to Sondra's husband and family. Sondra was an instructor who became a friend during my years of water aerobics. Her bright smile, compassion and corny jokes were often the highlight of my day. May she rest in peace with our Lord.*

“ *For years and years I was a regular walker at the TJC facility on the track. Sondra was almost always at the desk and greeted me with warmth and a smile. My heart is heavy and sad that she has passed on, but I know that she has gone to her heavenly home. She was special to me. Brenda Baker*

“ *Our thoughts and prayers are with you during this difficult time. We will always remember Sondra fondly and have great memories of her from the Hydro-Walk get togethers at Jan's Seafood and all the stories she would tell, mostly all about Tom. She was always smiling and such a happy person! Tom and family, we pray that all of the loving memories she left you with will carry you through this difficult time. With love and our sincerest condolences, Alan & Keri Leach*
