“ Cory, Dolores and Jimmy Curt, We are sorry for the loss of your Father. We both know how it feels to loose both parents. When your Mom was in the Hospital off and on for the last few years of her life, your Dad was with her most of the time. I never saw any one as dedicated as your Dad. He slept in recliners all over the Eastern slope, only going home to feed the dog. It was truly amazing. I was true Love. I am happy they are back together. We love you all and hope that if you need any thing all, please reach out to us. XOXO Uncle Jim & Aunt Nita
