“ *Stacie was such a wonderful lady, a great mom, and the life of any group she was part of. I had the privilege of coaching Wil in baseball for several seasons, and Stacie was the best team mom ever. She cared about all the boys so much, her personality was joyful and infectious, and she never seemed to run out of steam. Wil and Gage, you got a great mom, and I'll remember her always. Love you guys, and am glad to have known your mom! My prayers go up for all of Stacie's family and friends.*

“ *Stacie forever brings a smile to my face as one of the most caring and loving humans I've ever known. I loved having her in my day to day while working with her at TFG for a number of years. After going through a tough divorce and finding love a second time...I'll never forget how Stacie made a point to meet Johnny at an event, and spent time telling him how lucky he was to have met me... that was Stacie... always intentionally making other people feel loved and special. She was the greatest gift to those that had the gift of knowing her. She will be greatly missed by all of us.*
