

Dr. Stanley Borum

April 19, 1945 - September 6, 2013

Services for Dr. Stan Borum, 68, of Tyler, will be held on Wednesday, September 11, 2013 at 2:00 PM at Green Acres Baptist Church Chapel with Dr. David Dykes, Rev. Mike Parks and Mr. David Cannon, officiating.

Burial will follow at Cathedral in the Pines Cemetery under the direction of Stewart Family Funeral Home.

Dr. Borum left this earthly world and stepped into the arms of Jesus on Friday, September 6, 2013.

Stan was born on April 19, 1945 in Altus, Oklahoma while his father, Val, was serving in the U.S. Navy during World War II. As a military family, they moved numerous times during Stan's childhood, which gave him a unique perspective. He followed in his father's footsteps and became both a Navy man and an anesthesiologist. Stan met his beautiful wife-to-be while playing in the Texas Tech band. When they married, he studied at UT Southwestern Medical Center and began a lengthy career, working as an anesthesiologist in San Diego, San Angelo, Temple, and finally, Tyler, Texas at Trinity Mother Frances.

Dr. Borum was a dedicated family man who adored his wife of 46 years, children and grandchildren. He was a talented and committed anesthesiologist, who cared for his patients and considered his colleagues his dearest friends. He was a Music Man, with a love for barbershop harmony. For almost forty years, he sang in numerous men's choruses and quartet's, became the director of the Texas Country Gentlemen in Temple, Texas and

finally, became the director of the East Texas Men in Harmony for the past seven years.

Above all, Stan was a man of faith who loved the Lord and placed Him at the center of his life. He studied the Word diligently and was active in various Baptist churches throughout his lifetime. Most recently at Green Acres Baptist Church as a Sunday school teacher and choir member. His spiritual heritage, an eternal legacy, was passed down to his children and his grandchildren. He will be incredibly missed by all who knew him.

Dr. Borum is survived by his loving family including his parents, Val and Lillian Borum; his brothers, Winston and Mark Borum; his wife, Pat Borum; his children, Traci Borum, Karen Ratekin and her husband Brent, and Steven Borum and his wife Catherine; his grandchildren, Colby, Joshua and Julie Ratekin, and Michael Jay Borum; mother-in-law Della Sandifer; and several nieces and nephews.

Pallbearers will be Steven Borum, Brent Ratekin, Winston Borum, Mark Borum, Wilson Renfroe, Josh Miner, Stephen Beals, and Bob Arbuckle. Honorary pallbearers will be The East Texas Men in Harmony and Rev. Paul Reinhard.

Visitation is scheduled from 6:00 to 8:00 PM on Tuesday, September 10, 2013 at Stewart Family Funeral Home, 7525 Old Jacksonville Hwy, Tyler 75703. If desired, memorials may be made to East Texas Men in Harmony, 1607 Troup Hwy, Tyler, TX 75701

“ Just thinking of Stan today. When he was directing the barbershop chorus in Temple, he taught me more about singing with a purpose than I had ever known before. Good memories of him pointing to the imaginary words "That may be the best you've ever done that!" on his shirt during performances...

“ Hello Pat.... do you remember Mona, Ed, and Steven Olinsky who lived next door to you on Palo Duro Canyon in San Angelo? We lived right next door to you and you had your baby and I can't remember the other children's age. You and Stan came and weeded our front lawn while we were staying with our Steven in the hospital when he was hit by the car. I have thought of you all often over the years. I googled Stan's name and this is what I found. I am so sorry, Pat, about Stan's passing. You both were wonderful and kind people, and I always admired Stan being the dedicated and wonderful human being that he was. We were both struggling back then financialy and raising our family. But Stan was always there to help in any way he could. A wonderful person husband, father, and Dr. is sitting in heaven now waiting for the rest of his family to join him.

“ I met Stan for the first time when I went to my son Micheal's choir rehearsal. He was such a happy, music loving man. You could tell from the way he acted in front of the choir. Stan made it feel like the few spectators that were there that night, that we were at our very own personal concert. Was impressed the very first time I met him, you felt a kind gentleness radiating from Stan!! Love to hear him sing!! So talented!! You definitely will be missed Stan but, I know your singing in the heavens now!!

“ I had the honor of meeting Stan, the evening my daughter went into the hospital. My daughter had cancer and had gotten very sick, they put is in isolation because of the chemo she was taking. She didn't stop crying the whole time we were there, until THOSE FOUR ANGELS walked into that room. They were able to do this because of Stan. They sang to her and it seemed the whole world stopped to listen, including my daughter. It was the first time that night she stopped crying. I met him again several times after that and he was just a very kind man. I will never forget him. May he rest in peace and his family have the strength to get through this terrible loss.

“ *There are so many great memories I have with Stan in such a short time. I will forever be grateful, and will never forget the day 'Then and Now' came into my restaurant in Corsicana, Tx. and they sang to us. I fell in love with Barbershop in that moment. Stan encouraged me to be someone great. He always made me feel valued and cared about. Stan was such a loving guy, and will forever be such a dear friend to me and my family. I miss you buddy, and Acclamation will be one of the most golden moments in my life, and I learned so much from you. Thank you for believing in me, and encouraging me to pursue my director certification to one day help direct and lead a chorus.*

“ Pat and the whole Borum family,
I don't think I can express how much Stan was able to impact my life and those of all he touched. As I have been reflecting on the too quick 20 years I was able to call Stan a dear friend, my sadness is interrupted by so many smiles. Those smiles come from all the times I saw him lift the spirit of his patients, his co-workers, strangers, almost everyone he touched. I was privileged to work with Stan at Scott and White where we shared an office for several years. Those are some of the finest memories of my professional life. Between the corny jokes, Stan taught me an awful lot about being a physician, the right kind of physician. I am quite sure he is heaven, singing with the angels. The Department of Anesthesiology at Scott and White extend our sincerest condolences.

“ We will miss Stan's love for barbershop singing. He worked diligently in establishing the Texas Country Gentlemen Chorus in Temple. He always had a smile and would be lighten up even more when barbershop singers were near. He moved to Tyler and built a wonderful chorus that quickly rose in the competition. Yet, he always had a special love for the Temple chorus members. Yes, he is now singing to the angels. May God be with his family at this time of loss. Art and Carol Reinking, Waco, TX.

“ One could only aspire to be missed a millionth as much as this man is. The short two years spent working as one of his colleagues were nothing short of a gift from God. His exuberant camaraderie and irrepressible sense of humor always lit up any room and made everyone--coworkers, patients, and passers by--feel like everything was just going to be ok. Patients of his would report remembering none of the pain of surgery, but always his kind, smiling face. My thoughts and prayers go out to his family, of whom he often spoke with boundless affection. And to Stan...heartfelt gratitude.
Godspeed, my friend.

“ To the Borum Family and Friends,

Unfortunately I didn't have the opportunity to know Stan more than about 4 years. After meeting and getting to know him, that was way to short a time. He was one of the most honorable and God fearing men I have ever known or will ever know. It was an honor to sing for him and to learn from him, musically and personally.

I hope someday to be in his heavenly chorus and ring cords with him for eternity. I thank the Lord, Pat, and his family for sharing him with us. It was a time that I will cherish forever.

“ *To Mrs. Borum and all of the family,*

I am so sorry for the loss of the wonderful husband and father that I know Dr. Borum must have been.

I am a nurse and knew Dr. Borum for several years as a professional and as a friend. Our friendship was based on our work, music, and love for Jesus. Dr Borum never was afraid to express his love for God or his love for his family at work. I want all of you to know that. He always spoke of his wife and children in high regard, and he was always kind and caring in dealing with his patients.

May God be near you all now. I know you must be reeling with the sudden pace at which all of this has happened. God is still here, though. He will be a whisper away, as you grieve the loss of your husband, your father, your brother, your uncle, your friend. Let the Holy Spirit comfort you, as only He can. Know that all of us nurses are thinking about you and praying for strength for the days ahead as you feel this loss more than anyone else. And, when you can, think about the wonders that Dr. Borum is now experiencing as he stands in the very presence of God.

*Peace,

“ *To Pat and the Borum family,
I am a new comer compared to most of the older barber shoppers but in my five plus years I have learned more about the passion of music and the passion of being a loving husband and father and grandfather than any other time of my life. I loved the way he directed the chorus, I loved the way he gave his life for a bunch of men who were not always in the right frame of mind but respected him in every thing he did. His love for Christ is an amazing witness to all of us and I hope and pray many have learned that over this journey with Stan. Just sitting here writing this with his picture staring at me makes me want to be a better person and a better singer. I loved Stan as a man and as a fellow Christian and most of all as a great leader and director. He was not just a leader of song but a leader of lives. Thank you for allowing him to pursue his passion and share it with us. God be with you all during this sad part of your lives. Prayers are with you.*

“ To Pat and the family:

Irv just beat me to it but I'll say it again "Thank you for sharing Stan with us. We love him too". Stan was everything good that a man can be; friend, teacher, mentor; but most of all I will remember him as an example. He was a true man of God and never once stepped out of that role. My faith and character has changed for the better because of him.

To the ones that are not familiar with the East Texas Men In Harmony; the text accompanying the two photos was lost. The first photo is what he started with in 2006 and the second shows what he did with a bunch of 'wanna be' singers. He turned us into a chorus that he loved and was very proud of. And we were proud to be with him.

There are a lot of choruses in Heaven and I look forward to singing with him again.

“ Dr. Borum, Stan, will always have a place in my heart...he was there tending to me during the delivery of my daughter and then several years later again tending to me during surgery. As a nurse I had met many physicians but Dr. Borum was different---he loved his patients and being one of those I knew my life was in the hands of a man who knew Whose Hands his life was in! I also had the privilege of sitting under his teachings and was honored to teach Sunday School with his wife Pat and then to teach his precious Traci in Sunday School! I've not met another physician like him and am comforted that he is in the Hands of the Great Physician!! “ First of all, my deepest condolences to the Borum family. Stan was such a role model for all of us and he will be missed! The six years that I knew Stan I was always so impressed with his musical talents, but those talents never surpassed his love of the Lord! He loved the East Texas Men in Harmony and often told us that what we did was a ministry to the community. He was a great and dedicated director. Stan Borum will forever be in our hearts!

Pat and family. Terry and I are thinking of all of you. We wish we could be there with you. Pat I remember so many good times with Stan. When we went to Brazil on a mission trip. Stan was the life of the group. Making up songs. The one I still remember today after 30 years was about a fruit drink guatanada. Those who went on the trip will remember it. We laughed and sang it every time we got on the bus. He will be greatly missed. We send our love to all of you and may God give you an abundance of comfort and peace .
