“ Thanks to Steve, a good man. He did so much to help my family and encouraged my kids in their music. The world has lost a great resource of talent.

“ Dear Ann, I was so very sorry to hear that Steve lost his battle. He and I had reconnected recently, and I was so thankful for that. He was a good friend, and we shared many memories from the years you were here in Pittsburg. Just in case he failed to tell you...you really made history a favorite subject for me! My parents, Curtis and Bobbye Evetts send their condolences. You and your family will be in my thoughts and prayers.

Sincerely,
Janet

“ I was in the PHS band when Stanley Walker was director. I would occasionally babysit Steve, Michael, and Suzanne when they needed me. I found Steve on facebook to really find out about his Mother. That is when I found out that he was sick. As a former cancer patient, I tried to encourage him. I really didn't know how sick he was. My heart goes out to his family and the ones who were close to him. May God bless you.

“ Steve and I were close friends from junior high through high school. We reconnected on facebook. We would chat most evenings until he was sick. We had some really good talks and after he found out he had cancer we talked a lot about that. He was strong in his faith. Steve looked out for me in high school. He was like a brother to me. I will miss chatting with him at night. I loved Steve and his family. He loved his family deeply.
