“ I have searched for sweet Stephanie through the years. She was one of my dearest friends in Needville High School, but we lost touch after graduation. She moved away and never looked back at our small town. I wondered through the years where she was and what she was doing. Stephanie was beautiful inside and out. I am so saddened to see she has gone home to be with the lord. I know she is one of the most beautiful angels in heaven. Rest easy sweet friend I know you are lighting up the heavens with your beautiful laugh and smile.

“ I am shocked, I worked with Stephanie for a few years and loved her so much. She gave me the best surprise birthday I ever had, I wished I was able to keep in touch with her after she got married, I can't believe she is gone at such a short time in her life, I will miss her greatly, I have looked for her over the years and hoped we would be able to touch base again, she was a wonderful kind and giving girl I will miss her greatly, I met her family and am sorry you have lost such a great daughter and sister, she touched my life greatly and will always be remembered as a great employee and wonderful friend

“ Baker family, I am so very sorry for your loss. Stephanie and I were childhood friends and seems like we were always in trouble until she moved to Needville. We continued to stay in touch through high school and reconnected when she moved back to Houston. We were always laughing. Our fun and even our disagreements had a dramatic flair to them. Such as when we were in a fight as kids I rode my bike to her house with a stocking over my head (as a disguise) and left her a note saying we weren't friends anymore. She saw the whole thing and of course we were friends again the next day. So many wonderful times. We lost touch as we grew older but I hold those years very fondly in my heart. So sorry to hear of her passing and wish her family comfort.
