“ What a blessing it has been to know and work with Dr Rowley. He will be greatly missed by his Dierksen Memorial Hospice family. Your family is in our daily thoughts and prayers.

*Because you have made the LORD, who is my refuge, Even the Most High, your dwelling place, No evil shall befall you, Nor shall any plague come near your dwelling; For He shall give you His angels charge over you, To keep you in all your ways. In their hands they shall bear you up, Lest you dash your foot against a stone. You shall tread upon the lion and the cobra, The young lion and the serpent you shall trample underfoot. "Because he has set his love upon Me, Therefore I will deliver him; I will set him on high, because he has known My name. He shall call upon Me, and I will answer him; I will be with him in trouble: I will deliver him and honor him. With long life I will satisfy him, and show him My salvation." Psalm 91:9-16*

*He will be thought of often and remembered with love!*

*With all our hearts,  
Dierksen Memorial Hospice Family*

“ *Growing up as the youngest sister of Steve, I hold near to my heart so many wonderful memories of him as we were growing up. He kept our garage filled with all sorts of creatures to dissect and examine. We spent every summer at the ball park watching him play ball. He built and re-built the coolest fort in the back yard that he let us play in every now and then. He protected us from the bullies that lived next door. I could go on and on, but suffice it to say that I will hold all of these memories in my heart forever. I am so proud to call him my brother and my friend.*

*Love,  
Jenyl*

“*Doc, you have made a lasting impact on my life. When I had lost all hope and confidence of ever securing a job as a nurse practitioner, God brought our paths together. You took me under your wing, and with kindness and patience, you became my mentor. You always treated your office staff and the healthcare workers with utmost respect and dignity. You once told me, "There is never a stupid question". You never took advantage of someone's lack of knowledge by making them dumb. Instead, you used those situations as an opportunity to teach. Your love for God and His Word has been an inspiration to me, to your office staff, and to so many others. And what a blessing it always was to engage you in a conversation about Jesus and see tears well up in your eyes. You unashamedly and boldly witnessed to others about your Lord. You considered your medical career a ministry and an opportunity to share with others the hope that is in Christ Jesus. I feel that 2 Timothy 4:7-8 best describes your spiritual walk and your love for God: "I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day - and not only to me, but also to all who have longed for His appearing." I will miss you, Doc, but I know we will see you again....very VERY soon when, according to Titus 2:13, we shall witness "...the glorious appearing of our great God and Savior, Jesus Christ..."*

“ ... .. our clients/patients in skilled nursing homes are mourning and somehow perplexed by your demise.  
my coworkers in varied corners of the many homes we service are sharing sweetest thoughts of admiration and utter respect to your gentle care as their approachable doctor.  
thank you for your confidence in me and my many rehab teams and for allowing us to participate in the care of our patients who you made better by simply listening to their bodies and their hearts.  
your kindness particularly towards the aged is your healing legacy!  
a powerful testament to your faith in the name of the +Father and of the +Son Christ Jesus and of the +Holy Spirit. Amen.  
God rest your soul, good and faithful servant and brother, Steve.

“ I can't EVEN express the love I have for Dr. Rowley and his family. He was so much more than "the Dr. in the office". He was a friend. When we had a need, he always had a word from the Lord or encouragement for us or a hug. I counted it such a blessing to have worked with such a Godly man. He was so patient and kind and I will never forget his love and care for us.

“ Dear judy, Words cannot tell you how very sorry I am to lose such a dear friend. It seems only yesterday that the two of you were so filled with joy, life and dreams of a wonderful future and beautiful life together. We can never understand why that time was so cut so short, but we know that to be absent from this life is to be present with our Lord. In that we know and feel in our heart that the victory is His and we will treasure every minute that we had with Steve in his short lifetime. It goes without saying that he was one of the kindest, dearest people in the world. What a loss to our medical community as well as our spiritual community. Please always know how very much I appreciated the many days that you and Steve have lifted my family up in prayer. My heart is heavy for you at this time; however, my soul rejoices in knowing that Steve is sitting at the right hand of God. What a life, What a Victory.  
I love you very much, Jo Campbell

“ Steve is my older cousin whom I always admired and looked up to. Did not get to see him much in the past several years. Have fond memories when we were younger and I would visit them and spend some time with him. I admired his dedication to go thru the Air Force serving our Country and becoming a doctor. I have always admired and respected him. He will be missed.

“ *My big brother, Steve. We were only 10 1/2 months apart in age. Throughout our childhood I had such a sense of security knowing my brother was nearby. I carried that sense of security with me as we grew into adulthood. Even though we lived much of our adulthood miles apart, I always knew my big brother was nearby.*

*I was always so proud to point him out and say "that's my brother".*

*I'll miss you, Steve. I'll see you again one day. I love you, Judi.*
