“ So sorry to hear of the loss of Steve seems yesterday we could visit and see him. Only learned today that he was not only ill but had passed. Hit me like a ton of bricks we are only a few months apart from each other.

“ I was saddened to hear of Steve's passing. It has been years since I had seen him, but I have very fond memories of our High School Years. He will always be remembered by me as a witty,crazy,fun guy, but mostly a great friend. My prayers are with you all at this most difficult time.

Sincerely,
Beverly (Ann Yates) Reilly

“ So sorry to hear about your loss. When Mom told me, it brought back memories of our loss of Dad. The love and support of friends and family and most importantly God's grace will bring you through this difficult time. Be sure to lean on that. Mom knows what you are going through and will be a great friend to lean on. God will lead you through this and "joy will come in the morning". I will continue to lift you and your son in prayer. If I can help in any way, please let me know.
