Sue Hargrave Hall was born in Dallas on August 16, 1937 to Berta Lee and Bailey Hargrave. She graduated in 1955 from Woodrow Wilson High School in East Dallas and from Baylor University in 1959 with a degree in Education. She married Billy Hall soon after graduation from Baylor and taught school at Meadowbrook Elementary in Waco for a year until moving to Tyler. She was also a member of Cultue-Mea Literary Club. She loved Bible study, music, friends, family and especially her two sons and three granddaughters, who loved her in return. She

successfully did all of this while supporting a very accomplished husband.

Greg so very sorry to hear about your sweet mom. Although we know that day is coming, nothing can fully prepare us for the loss of a mother. Unfortunately I know that hurt all to well. I pray for you and your family that God will give you comfort in knowing that she's in a much better place and is free of pain and suffering. She was an amazing woman and will be watching over you from above. Much love and many hugs.

You are so very welcome. I am here for you if you need anything please let me know. Praying for you, your mom was very lucky to have had you with her in such difficult times. She fought hard for so long. However, she's now in the arms of Jesus and with your dad and Andy.

“ Greg and family, you don't know me, but I have been a friend of Sue's since we moved here in 2002 and joined 1st Baptist Church. She was the bravest person I have ever known and I admired her in everything she did. We had always wanted to play piano duets and tennis together, but we never did. I had the privilege of praying for her many times as did so many other people. Now I rejoice that she is with her Heavenly Father and totally healed. She will be missed by many. You have my sympathy. God Bless you all. Rogene LeNeveu
