“ My condolences to the family. I always enjoyed having lunch with Sue and the ladies at the old College Books store located on 5th Street. She witnessed me eating a lot of chili cheese dogs from Weinerland across the street. Her smile and laughter will be forever embedded in my memories. Josette Cullins Garrett

“ Sue and I were neighbors for 23 years and had been Apache Belles together. When we were neighbors we did something crazy on our birthdays. She had to worry from February to May as to what I would do. But this year Sue gets to be the winner as she is being buried on my Birthday! She was like a sister to me and I loved her very dearly. She and Ardene helped Leroy and I through some very traumatic times. They are in our hearts forever. Love you, Sue Shirley and Leroy Mallory

“ My Dear Aunt was also a close friend, however like my other mother showing such love & special care for me. A best friend & sister in law to my mother as well. She is the one who taught me to water ski, taking 2 seasons, in childhood. Reason being I was too lightweight the 1st season "she said" ha ha, Great example of a mother, wife one of several family outstanding Examples we were all Blessed to have. You will always be in my heart.

I've known Sue for many years through her sister in law and my very good friend, Mary Ann White, but just in the last few years have been re-acquainted with her through our friends playing Mahjongg. Sue was always a smiling face and will be greatly missed by those of us who knew her.

“ Sue was like a second Mom to me growing up as neighbors on Autumn Leaves. I have so many fond memories camping, skiing at Lake Hawkins, football games, and countless adventures. We couldn't have asked for better neighbors and friends. This is a tremendous loss and my heart goes out to Lindy, Greg and the entire family.
