“ *The highlight of my summertime was when my brother Jeff and I would go home with Aunt Sue and Uncle Odell. They would drive from Texas with Brian, Monica and Nathan to my grandparents in Indiana. Then my parents would bring us to my grandparents to spend time with all the aunts and uncles and cousins. When it was time to go back to Texas, my brother and I would join them and spend a couple weeks in Texas. We had many fun times together. Family times together bring back beautiful memories!*
