“ We will miss Sue's cheerful attitude and great personality! She was sweet Christian, a great personality and a gifted musician. We are all assured that Sue is taking part right now in the most fantastic music in Creation, with God's Heavenly Musicians. Her physical troubles have ceased and for that we are relieved, but oh! What an empty space was left here! May her memories be treasured. Love, Jacqueline and Carroll Stewart

“ I had the priviledge of playing steel guitar with The Houstons when Sue was playing piano for them. Several years later, she and Liz helped me to form the band I now have. It was because of her encouragement and help I began to sing in public. She was a wonderful Christian who was always ready to share her talents with anyone. She had to stop playing with my band due to her dialysis. She will be greatly missed by all who knew her. May God give her family the strength and courage to get thru this time of loss. “ Sue was one of a kind. When she retired a lot of us was happy for her but did not want her to go. She was always kind and had a big smile. Anyone that knew Sue loved her. She was a wonderful Christian lady. She will be missed but we know she is with her Lord and Savior and pain free . As much as she loved all her friends and partners at Brookshire's she wouldn't come back if she could. She also was always talking about Liz and how good of a friend you were and that you were so good to her. She said many times she did not know what she would do without you. She will be missed!

“ I realize that this is now January,2009, but I have just learned of Sue's home going and I would like to express to her family my deepest sympathy and to say that for all the years that we worked together at Brookshires, we were as close as any two sisters could be. With Sue, there was never a bad day, because she was a bright ray of sunshine!
May God Bless you all and know that you all will be together again one again one day.
