“ My deepest sympathy to the family. I worked closely with Susan in the late 1970' s in accounting at United Telephone. I still remember her radiant personality and the love and concern she had for her family. May God lift you above your sorrows so that you will find joy in the beautiful life she lived.

“ I am grateful that I got to visit with Susan a week before her passing. News of her illness had caught me by surprise. I had only become reacquainted with her earlier this year and was looking forward to much to more time together to talk about family memories.

Bobby, to you and your family, my heartfelt sympathy and prayers go out.

“ To Susan's family,
Susan was one of the kindest people I've ever met. She had the sweetest voice and was always a delight to be around.
I am so saddened to hear of the loss of her gentle spirit, but heaven is sweeter today with her there.
You are in my thoughts and prayers.

“ We are truly sorry for the sudden loss of your loved one and our dear friend, Susan. She was such a precious lady. She was so kind and thoughtful to others, and she always had a smile on her face.
She loved her family and had their pictures displayed all around her desk at work. Our prayers for peace and comfort are with the family.
