“ Susan was a sweet lady. Funny, witty, smart, strong, loving, Godly, are just a few words I would describe her as being. We met watching our sons play baseball. Always positive. Every ounce of her being was dedicated to her boys. She was a strong Christian. She never complained about the hardships of being a single mom. Susan just handled what came her way. I admire her in many ways. We were planning to have lunch and I regret that I did not get to do that with her and spend more time with her. She left her legacy with those precious sons and will never be forgotten. Love and prayers to you all. Gay Finley Boynton

“ Susan you will be missed by many. God truly got an Angel. Fly high in the arms of your Father and no more pain you shall see. May all who loved and cared for you find comfort in each other. Psalm 23.4 "Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me".

Susan was such a special person to be around and a blessing to everyone that knew her. Even when she got sick she still was so kind to call and check on others to make for sure that they were doing ok. She gave so much of herself to others. I remember the days like yesterday when we traveled together to watch Trevor, Travis and Chris played football and of course she always knew everyone's name and cheered for all of the team. Being around her always brought laughter to my heart because she was always so much fun to travel with. She will be truly missed by many people, but I know that the Lord has a very special angel in heaven with him. Trevor, Travis and Trent, I know that this is a really hard time for you but just keep your faith in the Lord as your Mother always told me to do and God will get you through this. Your Mother was so proud of her three son's and their faith in the Lord and everything that all of you have accomplished for your life. Love to all of you!
