“ SoSo lit up the room when she walked in it with her beautiful blue eyes and her bright red curly hair. Her smile was contagious to all around her. She loved music and could dance a blue streak. I know she would have been a great softball player because she could throw anything across the living room. She loved her first baby doll and pushed it in the stroller like a good little mommy. I miss you so much baby girl and will always have you in my heart! I will see you again in heaven one day, until then keep everyone laughing like you did me!

“ My Sweet Baby Soso, we will love and miss you dearly. You touched so many lives in the short time you were here. You are an Angle that Jesus needed back. Spread your wings and fly baby girl. Mommy will be strong and Daddy will be too. We will stand next to them as you watch and protect them from above. Keep smiling my Chunky Monkey!

“ You truly captivated the entire Farris family. Whether it was a holiday or just any other day, your presence highlighted the moment. You brought tremendous joy to my life. You truly were my Strawberry Shortcake doll. I love you Soso and we all will miss you immensely!

“ Our sweet little SOSO, we waited for a precious red headed baby girl for 35 years. You came into our lives and your little lite shined so bright. You were so smart and sweet. Grandpa Kerry will be glad to see you. Im thankful God gave us such a wonderful gift if only for a short time here. Jantsen is a good daddy. I'm so proud of him. We loved you so very much. Lord please send our families peace for our hearts are broken with sorrow. We all will miss our special sweet baby girl.

“ I am so sorry for your devastating loss. My little girl Laci attended the day care with Sydney until it closed in February. She always talked about So-So and how she loved to play with her.

“ I can think of no words that can ease the pain of losing a child. But perhaps it would help you to know that she has touched many lives in her own short time, and each of those lives has been enriched for the experience.

“ Rest in peace little Angel Soso. Your light will always shine in the ones that love you. You were taken much too soon.

You, and your family are in my prayers. Fly free little baby. Fly free.

You will always be the Angel in the Sky, and in the Heavens.

Our Father, which art in heaven,
Hallowed be thy Name.
Thy Kingdom come.
Thy will be done in earth,
As it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive them that trespass against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom,
The power, and the glory,
For ever and ever.
Amen.

“ Another angel has earned her wings and flies free watching over those who held her so dear during her much to brief time in this world. Kaylyn, I know that there are no words that can give comfort to you in this time of sadness. Just know that you and SoSo touched the hearts of many who never met you in person but but feel love for you anyway. Cling to those who love you and rely on the love of family, friends and faith to help you through. Remember SoSo and the love and joy she brought to you and smile each time you think of her. She will live forever in your heart and in the hearts of those who she touched.

“ Though we never met, you were always a rainbow I viewed from afar. Your energy and essence will always be apart of me and our family. If a man named David offers you his hand, take it he was apart of us also and he can continue to watch over you.
