“ I worked with Tammy for many years at TJC. She was a wonderful person and a true friend. I had just spoken to her the other day, and she was telling me how excited she was about her new position at work. Her joy was contagious.

I always loved hearing her stories about Kloie—and especially about Kloie’s pet rat. Those little moments showed her warmth, her humor, and how much she loved the people in her life.

I will miss you, Tammy. My life is better for having known you.

I am in awe of her final, noble gift of organ donation. Because of her, others will live, heal, and have more time with the people they love. What an extraordinary legacy.

Take care, Tammy. I’ll see you on the other side.

I’m still in shock and heartbroken for our loss here. Tammy was a precious friend and someone I would counsel with on all things daughters.

She and Kloie were a big part of our lives for many years and I am so grateful for being able to see her a couple of times last year.

Thankful for the hope we have in Christ Jesus, and that Tammy lived a life here to prepare of her new life in heaven.
